

MONEY RAISING—Final plans to promote subsidy for the Little Company of Mary Hospital are discussed by Lawrence Harvey, executive vice-president of Harvey Aluminum, and Msgr. William O'Dwyer, director of health and hospitals. More money is being sought to equip the facility, which will have 150 beds. Located at 4101 Torrance Blvd., it will open this year.

Aud Call Rewards Freshman Class At South High

In the recent South High Student Council-sponsored drive for ASB cards, the winner was the freshman class. As a reward the Thespian Society was asked to put on an entertainment aud call last week.

It was directed by the Thespian president, Carolyn Waddingham. It contained six acts plus a speech from the vice president, Nancy Cavanaugh, on how to become a Thespian.

The mistress of ceremonies, Jean Woodard, presided. Eddie Doty and Joe Cocks, on the piano and drums, played two scheduled selections and two encores.

Monologues were given by Bob Brooks and Christ Fletcher, showing the acting side of Thespians. The well-known South High dancing team of Karen Griffin and Darlene Torgeson performed "Seventeen."

Carolyn Waddingham belted out "Its Only A Paper Moon." "Eloise" was portrayed by Carol Cavanaugh and Georgia Owens joined in as the nurse.

The aud call included installation of freshman officers: George Groveman, president; Rickie Robbins, vice president; Peggy Angelidas, secretary; Lynn Bowman, treasurer; and Susan Johnson and Christ Watts, representatives.

Deadly Vice from Abroad

A new and dreadful sin is being investigated by the attorney general at behest of Gov. Brown. The implications are state-wide, it was declared.

The insidious peril is even reaching into our schools. The state officials propose to stamp out the vicious evil, since the state does not profit by it.

The racket is sponsored by foreigners. All the spoils go out of the country. Two high-school students won \$750 after exposing themselves to the menace. Some even are squandering their cigarette money on it.

The unspeakable sin is a lottery. Its terrible cause is hospitals—Irish hospitals.

It is called the Irish Sweepstakes.

Scholarships Offered to Children of Oil-Chemical-Atomic Workers

A \$2000 college scholarship will be awarded for the Oil, Chemical and Atomic Workers International Union, said R. T. Baumann, secretary-treasurer of OCAW Local 1-519, Torrance.

Brochures describing the scholarships are available to sons and daughters of union members. Applications can be obtained from Local 1-519 by writing the local, Box 264, Torrance.

OCAW is awarding four scholarships each year, three in the United States and one in Canada,

each worth \$2000, for a four-year college course. Purpose of the program, the union said, is to encourage the young men and women of our union to help prepare themselves for positions of leadership and service, both to themselves and to our society.

The scholarships will be awarded on basis of an examination administered by Princeton. Selection will be made by a board of educators selected by the University of Denver.

Eligible high school seniors who are planning to enter college next fall may send their applications now.

Examinations will be conducted in March, 1960.

Motion picture films on a wide variety of subjects are currently being made available by Pacific Telephone to clubs, associations, church and school groups on a free loan basis. The films last from 10 to 60 minutes. They are in color or black and white. All have accompanying sound and can be run on any 16 MM projector. They cover all angles of telephone activity, including such subjects as safe driving, telephone crews in action, electronics and research, the magic of communications, the correct etiquette of telephoning, and party line manners. Films high on the popularity list include "Arctic Mission" which dramatizes the building of the DEW line, and "Voices Beneath the Sea," a story of the laying of the first transatlantic telephone cable two years ago. Bell System hour-long science spectaculars include "Our Mr. Sun," story of the sun; "Hemo the Magnificent," story of the blood; and "The Strange Case of the Cosmic Rays" which takes the viewer on a dramatic and scientific journey into space. Nearly 6 million persons in Southern California viewed the films last year. Reservations for films can be made at any Pacific Telephone business office.
